Election/Restrictions

Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in response to this action, to elect a single invention to which the claims must be restricted.

Group I, claims 1,2,10, drawn to a fuel cell device comprising a fuel cell, a fuel processor, a combustion device, an electric power generation instructing means, wherein the rate at which the generated electrical power is decreased is made different depending on the change of the temperature of the fuel processor.

Group II, claims 3-9,11, to a fuel cell device comprising a fuel cell, a fuel processor, a combustion device, an electric power generation instructing means, wherein the rate at which the generated electrical power is decreased is made different depending on the temperature of the fuel processor.

The inventions listed as Groups I and II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: Group II does not require the rate at which the generated electrical power is decreased is made different depending on the change of the temperature of the fuel processor as required by Group I.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

Art Unit: 1745

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
